

D. MELBOURNE

Registered Physiotherapist

239 WEST 125TH STREET

NEW YORK CITY

TEL. MONUMENT 2-6957

May 31, 1944

Mr. A. Manley

This is to inform you that Mr. McDuffy is under my professional care, with a sprain ligament of the right shoulder. He will need treatments every day until Saturday, in order to be able to play on Sunday.

Under no circumstances, however, should he attempt to pitch before then

Yours truly,

Donald Melbourne
